

How do I post my resume?

Posting a resume is only available after you create an account and log in. Please follow these steps below:

1. Login with your username and password on the homepage. (bottom left)
2. After you login, graphical buttons will appear at the bottom of the welcome in the center body of the page.
3. Click on "Find a Worker: View and Post Resumes". This will take you to the job category screen.
4. Find the category that best matches your skills and click "New Ad" under its title.
5. Fill in each field on the "Post Your Resume" screen and upload your resume.
6. Click submit after all information has been entered.
